## BACHELOR OF SCIENCE (BSN) GENERAL INFORMATION

Students enrolled in the Bachelor of Science in Nursing (BSN) Program will complete a total of 122 credit hours prior to graduation. The program consists of 62 general education credit hours and 60 nursing credit hours. All applicants must have a cumulative GPA of a 2.75 to be considered for admissions. **Once the general education requirements have been met**, the full time BSN Option student will complete the program in four terms: Term I, Term II, Term III, and Term IV. General education course requirements are listed in Table A and Nursing course requirements are listed in Table B.

Table A. General Education Courses

Social/Behavioral Requirement	3					
Humanities Requirement	3					
Humanities Requirement	3					
Humanities Requirement	3					
Humanities Requirement	3					
General Elective (Social/Behaviorial req. for Tampa)	3					
General Elective	3					
General Elective	2					
Subtotal:	60					
LMU requires two university specific General Education Courses (LNCN). These can only be taken at LMU. Transfer students admitted into the BSN option may take these courses at any time, if needed.						
LNCN 100 Lincoln's Life	LNCN 300 American Citizenship/Civic Life					
Total General Education Requirements: 62 Credit Hours						

Numerous History, Art, Philosophy, Literature and Ethics courses can meet the Humanities requirement. Please see the current LMU Undergraduate Catalog for a comprehensive list.

<sup>\*</sup>Persons already holding a bachelor's degree or higher only need to meet these program requirements.

## Additional Notes:

- Science courses cannot be more than 8 years old.
- Transfer students who do not have a bachelor's degree or higher must have a minimum of 60 transferrable hours.
- For additional admissions or program requirements please consult an LMU Nursing Advisor
