

# Songs of The Civil War

A Teacher's Workshop

Featuring

## Ms. Judy Cook

The Abraham Lincoln Library and Museum in collaboration with the Mildred T. Headley Center for Professional Collaboration will present a multi-grade teacher workshop at the Arnold Auditorium on Saturday, September 19, 2009, between 9:30 and 11:30 a.m.

The Workshop will feature the musical talents of Ms. Judy Cook along with those voices found on "lined paper, yellowed with age, and covered with the sloping script" of her ancestors who wrote during the long lonely years of the Civil War. These letters, accompanied by music from the era, "provide fascinating insight" into life in Civil War encampments and address hardships endured on the homefront during the 1860's.
