

Four year Plan Management (BBA)

The following is a **suggested** four year plan of study for freshmen entering LMU during the 2012 academic year. Transfer students should contact the department chair to determine how their credits will apply. This plan is to be used in conjunction with the university catalog and advise of the faculty advisor. Courses on the plan may be taken during semesters other than those listed, based on availability and course placement. This plan meets LMU's Lincoln Liberal Arts Common Core requirements, major requirements and 300/400 level course requirements. **Note: In order to graduate in four years (eight regular semesters) the student must average passing 16/17 hours per semester.**
