

Announcements

Friday, October 30, 2009

Please note: announcements are subject to change and some changes may be announced only at the building level in cases of time constraints. Updates will be posted on the information line whenever possible.

- The DeBusk college of Osteopathic Medicine has a limited supply of the nasal spray vaccine for H1N1 which will be administered according to CDC guidelines. Parents/guardians of Academy students can make an appointment for their JFWA student to receive the vaccine. Parents must sign the necessary release and be present at the appointment. The phone number for the LMU-DCOM Department of Outpatient Services (LMU-DCOM/OPS) is 423-869-7193. We will post this information on our web site.
- Today's combined practice – Friday, October 30 – will end at 4:30, not 5:00 as originally scheduled
- Anyone interested in the book club for next month may come by Mrs. Toti's room today with suggestions for the next month's book choices. We will vote on the book choices today (Friday).
- Keep checking out the link at www.world-school.com/ to see what the World School team has been up to! The students return on Monday.
- Students are not to use the cloak room on third floor as lockers and as a place to hang out. That space is for items too large to fit in lockers ONLY. No textbooks or notebooks should be stored in there. We are going to be removing any books left there. This is by order of the fire marshal. Additionally, please do not store books on top of lockers.
- **Today is the last day of the Jr. Beta Penny War** to help raise money for UNICEF (United Nation's Children's Fund)! Money must be turned by 2:30 PM today.
- The basketball game and practice schedules are now on the web.

Parents are also encouraged to read the news and campus events link on the LMU website homepage for campus updates.
