

January... Brrr!! let it snow, let it snow, let it snow...!!!!

- **News:** We hit the ground running as usual, what with starting the new semester and signing up for LMU spring semester classes, fall semester report cards, snow days etc. The month has gone by fast! Besides, January really belongs to the seniors – preparing, reviewing and mailing semester transcripts, reviewing college applications and scholarships, tying up loose ends – they have seen more of me than they care to, and are so ready to get out...!
- **Report cards:** The fall semester report cards went out during the third week of January. As usual, most of our students did very well, and those who slipped – well, it is time to get serious! The spring semester goes by very fast indeed! The 2nd 9-weeks Honor Rolls have been posted. 33% of our students made it on the “A” Honor Roll, and 27% were on the “B” Honor Roll. Kudos to all!
- **LMU Spring semester classes** are now in full swing. We have 16 students taking 22 classes among them. Students have been reminded about their responsibility regarding attendance, punctuality, and keeping up with their grades, etc. It is a big taste of what is to come!
- **PLAN results:** PLAN test results were passed out to freshmen and sophomores who took this test, along with their test booklets and the leaflet explaining the test results. The test results were reviewed with the students both as a group and individually, and they were encouraged to review their results with their parents.
- **A word to the wise: seniors** – colleges will be looking at these 9-week grades closely, so don’t you slack off! And **freshmen** – these are the first grades colleges will be looking at when you start applying to colleges!

College visits/ Preview Days

Check out the colleges you are interested in or applying to for those dates. Remember, you can use one school day for these visits... not bad!
