## March...where is spring...? crocuses and bunny rabbits..?

- **News:** March started on a happy note indeed! Congratulations to our Valedictorian for 2010– Clarissa Medley, and Salutatorians for 2010– Leslie Lowry and Maddy Walker! Their achievement is a tribute to their hard work and dedication!! And there are more honors coming their way—as early as April! Watch out for news about the Academic Achievers Banquet in Knoxville...!!
- **LMU mid-term grades** are posted on Web Advisor. Students can- and *should* -find out where they stand in terms of academic progress. This is the time to check what their grade is and what can be done about improving it. Hint: meet with the instructor for a one-on-one discussion.
- **New JFWA schedule** starts March 22nd. Please remember: *classes* will start at 8:00 a.m., and before you moan — just keep in mind that the alternative was worse!
- **Report cards:** The 3rd 9-weeks ends on March 23rd, and report cards will be mailed by the 29th. An “F” grade at this point is a serious matter indeed, as it is very difficult to turn that into a passing semester grade.
- **LMU summer classes:** Registration for JFWA students will not be until April 2nd. Remember, sophomores who have taken - or are about to take - the ACT in April and have the required GPA, are eligible to sign up for LMU classes.
- **A word to the wise: seniors** – colleges will be looking at these 3rd 9-week grades closely too, so you definitely cannot slack off yet! Save it all for the summer!!
- **Coming up:** World School Forum 2010 - details to be announced soon. Participation is open to rising seniors and juniors ... so start planning!
