

IMPORTANT: The LMU DCOM Dept. of Outpatient Services will have both the H1N1 mist and injection vaccine available at the JFWA for JFWA staff and students on Monday, Nov. 23rd from 1-2 pm. There are 3 short forms which must be completed and an informational sheet on the vaccines which we would like to distribute to those interested in the vaccine. Parents/guardians do not have to be present as long as they have signed and returned the forms by or on the day of the clinic visit. Contact Mrs. Ramos (423- 869-6452) and she will e-mail or send the forms home to you. There will be no out of pocket cost to receive the vaccine but please do provide your insurance information where it is indicated on the appropriate form. We appreciate all that the LMU-DCOM is doing to make this opportunity available for us and we appreciate our JFWA families!
