Activities and Organizations including past and present memberships	American Academy of Family Physicians
	American Osteopathic Association (AOA) <ul style="list-style-type: none">• Student Member, Attended conventions in New Orleans, LA (2003), San Francisco CA (2004), House of Delegates Chicago, IL 2004
	Student Osteopathic Medicine Association <ul style="list-style-type: none">• I was honored to be elected to the National Region II Trustee which represented about six local SOMA chapters on the national level. Before I was a national officer, I was my local PCSOM Chapter President in 2003. We had the honor of completing lots of projects while we were medical students. The projects included things like a student survival guide for

incoming first year medical students, osteopathic health fairs, and the A.T. Still park clean up which involved landscaping and staining the wooden shelters on the site of the birth place of A.T. Still. We also hosted the first ever Fall OMT Symposium. As a chapter we were given awards for projects like the National SOMA **Project of the Year** for the Pocket OMT Manual, and **1st place in the AOA Spirit Award** for the most active SOMA chapter during National Osteopathic Medicine Week (2003).

- I was also fortunate enough to attend numerous conventions as a medical student. I attended the spring 03', 04', 05' in Washington, DC and the fall conventions in New Orleans (2003) and San Francisco (2004).

Sigma Sigma Phi

- I was honored to be nominated to Sigma Sigma Phi, a national honorary osteopathic fraternity that promotes education, service to the community, and student research.

American College of Osteopathic Family Physicians member

Special Projects/ Publications

Pocket OMT Manual. Mountain Medicine Publishing 2004

A three hundred page book of principles and techniques of Osteopathic Manipulative Therapy. The book was a collaborative effort of twenty-seven students in which I created the design, wrote sections of the book, created almost exclusively all of the art, and shot most of the photos. I was one of two of the primary editors of the book.

Certifications

Basic Life Support (BLS), Advanced Cardiovascular Life support (ACLS), Advanced Traumatic Life support (ATLS), Pediatric Advanced Life Support (PALS), Neonatal Resuscitation Program (NRP)
