

**Preliminary Analysis of Residency/Internship Placement
for the Graduating LMU-DCOM Class of 2011**
(As of March 25, 2011)

The following analysis performed on March 25, 2011 only includes the 120 students who were fully eligible on the AOA and ACGME match dates.

Class of 2011 Residency/Internship Placement

	Students Placed	Class Percentage	Participants	Success Rate
Pre-Matched (Allopathic)	10	8.3%	NA	NA
Military Match	11	9.2%	NA	NA
AOA Match	54	45%	69	78.3%
ACGME Match	29	24.2%	40	72.5%
Subtotal	104	86.7%	120	86.7%
AOA Scramble*	4	3.3%	4	100%
ACGME Scramble	12	10%	12	100%
Total	120	100%	120	100%

* Since the AOA scramble took place prior to the ACGME match, these students could have applied to and potentially matched in an ACGME program but chose not to.
