Webcams Available

Do you have a desktop computer without a microphone, speakers, or a webcam? Are you teaching an online course, a hybrid course or “flipping” your classroom? The CTLE now has high-definition webcams and microphone/headsets for your use. Check out this equipment for use in your office to enhance your ability to communicate with your students. Contact the CTLE for details.

Student Online Learning Manual

A manual is available for all students using Blackboard, not just those taking online courses. This manual covers the most important aspects of Blackboard for LMU students including required equipment, computer skills, taking quizzes online, and more. The manual is available on the CTLE website at: http://bit.ly/1FyBt8O and is in Blackboard as an administrative announcement.

New Online Programs

The Caylor School of Nursing will offer the online Doctor of Nursing Practice (DNP) beginning in May 2015. For more information contact Marilyn Bowman-Hayes, Director, CSON Online Learning and Instructor of Nursing at: marilyn.bowman-hayes@lmunet.edu

The School of Business is offering the Lincoln MBA online beginning Summer 2015. For more information contact James Hoelscher, Assistant Dean School of Business, Graduate Programs and Assistant Professor of Business at: james.hoelscher@lmunet.edu
