Accreditation and CME

Lincoln Memorial University DeBusk College of Osteopathic Medicine (LMU-DCOM) is accredited by the American Osteopathic Association (AOA) Council on Continuing Medical Education (CCME) to present programs that qualify for AOA-CME Category 1 credit. LMU-DCOM has requested that the AOA Council on Continuing Medical Education approve this program for 14.0 credits of AOA Category 1-A CME credits. Approval is currently pending. Physicians and other attendees should only claim credit commensurate with the extent of their participation in this activity.

The LMU-DCOM Office of CME earned a perfect score for its continuing medical education activities from the American Osteopathic Association (AOA) and has been awarded three-year accreditation and Level 3 Accreditation with Commendation status as a Category 1 CME Sponsor.

**Program Goal**

To promote clinical teaching excellence and the legacy of clinical teaching to the profession.

**Objectives**

Upon completion of this educational activity, the participant will be able to:

1. Reflect on the legacy of clinical teaching to the future of health care.
2. Understand what it means to teach with clinical teaching excellence.
3. Identify tips and tools for clinical teaching in your practice setting.
4. Understand the value of self-reflection on personal teaching style.
5. Examine clinical teaching assessment and evaluation methods.
6. Summarize basic osteopathic manipulative medicine techniques and practices.

**Listed below is program information for the Saturday CME. Program details for the Friday courses can be found on the registration site.**
