I. **Course Description:** Today’s students will be working in a global marketplace. This course requires candidates to glean best practices from high achieving nations and to translate those practices into practical strategies to better prepare students for the knowledge, skills, and perspectives that will best serve them in the 21st Century.

II. **Course Objectives:**

**CI Candidate Outcome 2: Content Knowledge and Application**

The candidate engages learners in deep content knowledge that includes reflection on prior content knowledge and skills, integrates technology, links new concepts to familiar concepts, develops critical thinking skills, and connects to real-world local and global issues.

III. TEXTS/MATERIALS FOR THE COURSE:

Required Texts:

Suggested Readings:

IV. COURSE REQUIREMENTS, ASSESSMENT (LEARNING OUTCOMES) AND EVALUATION METHODS:

**Learning Outcomes:** This graduate course addresses the three themes essential to the conceptual framework of the Lincoln Memorial University’s Carter & Moyers School of Education: Values, Education, and Service. Using values congruent with dispositions of the profession, candidates will actively apply coursework in the school and/or community environment. Throughout this course candidates will engage in activities to extend their professional and pedagogical knowledge, along with applying, evaluating, and reflecting on course content that contributes to continuous improvement of education practice. Another component is researching current standards-based instructional strategies that appropriately address diverse learning styles. This course emphasizes the goal of encouraging our graduates to engage in service to diverse student bodies, schools, and communities by exhibiting and modeling professional behavior in the field that models integrity, fairness, and ethical decision-making which is in the best interests of all students and stakeholders. The ultimate aim in emphasizing these three themes is to produce educational leaders who reflect Lincoln Memorial University’s motto, *Preparing Professional Educators of Distinction to Make a Positive Impact on This Generation and the Next*.

**Requirements** (see section titled: COURSE OUTLINE/ASSIGNMENT/UNITS OF INSTRUCTION)
1. Reading and discussion of required materials.
2. In-class writings
3. Any other readings or in-class activities that the instructor may assign
4. Group Projects: Groups will research assigned topics for presentation to the class.
5. Key Assignments: Each course includes two Key Assignments that are critical to successful completion of the course. Key Assignments are submitted VIA/LiveText and will be assessed electronically by the instructor using a rubric. In addition to the Key Assignments, the instructor may require other coursework.
6. Reflections: Students are required to write reflections after each class connecting ideas in both IL 652 and CI 641. Reflections are NOT summaries of the events of the day, but rather analysis and internalization of the ideas of the day. The reflections must be submitted electronically to your professor by the Wednesday following class. The faculty will respond electronically by the following Monday. **The reflections will affect the final grade of the class.**
7. Group Projects: Groups will research assigned topics for presentation to the class.
   - Presentations on topics related to *A World Class Education* and/or *World Class Learners*.
     - Round Robin rotation
     - Time Limit: 20 minutes per presentation or according to professor specifications, including set-up
     - Handouts to cover aspects of the topics that cannot be presented in-depth must be supplied by each group to each student in the class
• Groups will present pertinent information about international models of excellence and innovations that impact political, economic, cultural trends, and global education. Groups should incorporate a variety of resources and go beyond the material covered in the text. Professors will provide specific instructions for the class presentations.

8. VIA/LiveText Critique: After Session 3 and Session 4, each individual student will submit a critique to VIA/LiveText on assigned topics. (See II, Standards and Goals on the syllabus)

9. Web Enhanced Learning Component: This course is offered in a hybrid learning model Web-enhanced learning designs are based on contemporary learning theory and exemplary teaching practices in the classroom. This particular model is based on an understanding about how adults learn and an understanding of the rich resources offered through collaboration with peers and interaction with the extensive resources on the Internet. The hybrid learning model is comprised of anchored instruction (seat time-15 hours), professional learning communities (collaboration-12 hours), web-enhanced learning strategies (technological learning-12 hours), expository presentation and problem-based learning (case studies and field-based activities). Adapted from: http://www.ed.psu.edu/NASA/page4.htm

10. Assignments will be evaluated based on program standards using various assessment tools, including rubrics. The University official Graduate Education grading system will be utilized.

Attendance - Even with successful completion of make-up assignments, class absences will cause a reduction in the final course grade. One (1) absence will result in a reduction of one (1) letter grade from whatever grade would have been earned. Two absences will result in a grade of C or lower. More than two absences will result in the grade of F for the course(s) taken that semester. Class attendance requires staying the entire class period. Refer to the Graduate Catalog for further academic restrictions.

V. METHODS OF INSTRUCTION: Will include lecture, class discussions, collaborative assignments, individual presentations, etc.

VI. INFORMATION LITERACY/TECHNOLOGICAL RESOURCES:

Technology
Incoming students must be computer literate, able to use software for e-mail, word processing, web browsing, and information retrieval. Students must have access to the Internet for communicating with instructors and accessing learning resources. Computer access must be available on a personal computer.

Turn-it-in
Turn-It-In, the computer program designed for checking literature duplication is available for use. Submitting course work to Turn-It-In is at the instructor’s discretion. Instructions will be available early in the semester on the Graduate Education Office webpage.

viaLiveText
viaLiveText.com: Each student will be required to establish or continue an account with the viaLiveText.com program. viaLiveText.com is a web-based application offering a comprehensive suite of development, management, and assessment tools. This suite of tools provides colleges and universities with the capability to assess student work online using assessment instruments that have been developed and implemented by the individual college faculty and/or departments. Specific instructions are posted on the School of Education website at http://www.lmunet.edu/academics/schools/school-of-education.

Library Resources (Revised 2/2/2012)
The Carnegie-Vincent Library provides access to many outstanding resources for students in Teacher Education field, including tutorials, databases, and experienced reference librarians. Visit the library’s website (library.lmunet.edu) for full details. There are many professional databases including: ERIC, the Educational Resource Information Center, the premier database for education related journal articles and documents containing over one million citations and links to more than 100,000 documents in full- text; ProQuest Education Journals database which contains access to 760 leading journals of which over 600 are in full-text; ProQuest Dissertation & Theses Full Text: The Humanities and Social Sciences Collection: A comprehensive collection of scholarly research in the Humanities and Social Sciences, this database covers more than one million dissertations and theses; Mental Measurements Yearbook which contains descriptive information and critical reviews of commercially-available standardized English-language educational,
personality, aptitude, neuropsychological, achievement, and intelligence tests. Additionally, the library provides access to over 100 other databases and can obtain books and articles from libraries worldwide through Interlibrary Loan.

VII. UNIVERSITY POLICIES:

ACADEMIC SUPPORT SERVICES: LMU offers a variety of Academic Support Services that are available to students to assist them academically. Academic Support is located in the Carnegie-Vincent Library on the Harrogate campus. Visit https://www.lmunet.edu/academics/academic-support for more information regarding the Tagge Center for Academic Support, tutoring options, study skills sites, Student Support Services, and the Cornerstone Program.

STUDENTS WITH DISABILITIES POLICY: LMU is committed to providing reasonable accommodations to assist students with disabilities in reaching their academic potential. If you have a disability which may impact your performance, attendance, or grades in this course, please contact Dr. Dan Graves, Director of Accessible Education Services, to discuss your specific needs.

If your disability requires an accommodation, you must register with the Office of Accessible Education Services. The Office of Accessible Education Services is responsible for coordinating classroom accommodations and other services for students with disabilities. Please note that classroom accommodations cannot be provided prior to the course instructor’s receipt of an Accommodations Form, signed by you and the Director of Accessible Education Services. To register with the Office of Accessible Education Services, please contact the Director of Accessible Education Services, Dr. Dan Graves at dan.graves@lmunet.edu and/or 423.869.6531 (800-325-0900 ext. 6531).

COUNSELING: LMU counselors are available to help current students with personal, career and academic concerns that affect academic success and quality of life. The Director of Counseling, Jason Kishpaugh, can be contacted at jason.kishpaugh@lmunet.edu and/or 423.869.6401 (800-325-0900 ext. 6401).

DISCRIMINATION, SCHOLASTIC DISHONESTY, CHEATING, AND PLAGIARISM POLICIES can be found in the student handbook:

HARASSMENT, DISCRIMINATION, AND SEXUAL MISCONDUCT: No person at LMU shall, on the basis of age, color, creed, disability, ethnic/national origin, gender, military status, pregnancy, race, religion, sexual orientation, genetic information, or any other class protected by applicable law, be excluded from participating in, or being denied benefits of, any educational opportunity.

LMU is committed to providing a campus environment free of all forms of discrimination, including gender or sex based discrimination. All LMU employees are designated as Responsible Employees/Mandatory Reporters; this means that if you inform any LMU employee of a situation that may involve sexual misconduct, including sexual harassment, non-consensual sexual contact, non-consensual sexual intercourse, stalking, domestic violence, dating violence, or any other form of prohibited gender or sex based discrimination, the employee is required to share the information with the University’s Title IX Coordinator. If you would like to speak with an individual who does not have this obligation, confidential counseling is available to students free of charge through the Office of Mental Health Counseling, Duke Hall 202. For more information, contact Jason Kishpaugh, Director of Counseling, by email at jason.kishpaugh@lmunet.edu, by phone at (423) 869-6401, or schedule an appointment online at https://www.lmunet.edu/student-life/counseling/schedule-an-appointment.

If you have experienced any form of discrimination or harassment and would like report information, please contact: Jeana Horton, J.D., Title IX Coordinator/Institutional Compliance Officer, by email at titleixcomplaints@lmunet.edu, or by phone at (423) 869-6618. You may make a report online at http://www.emailmeform.com/builder/form/WCcZ1kq83c48D6b0w721mhL. The Title IX Coordinator/Institutional Compliance Office’s office is located at D.A.R. 210 and the Duncan School of Law, Room 404. The Harassment, Discrimination, and Sexual Misconduct Policy is located in the Student Handbook.
Help and support is available. LMU offers support to help individuals navigate campus life, access health and counseling services, and obtain academic and/or housing accommodations. In addition, LMU Campus Police is available to provide security escorts and/or additional security on campus.

Hazing is any reckless or intentional act, occurring on or off campus, that produces mental, emotional, or physical pain, discomfort, embarrassment, humiliation, or ridicule directed toward other students or groups (regardless of their willingness to participate), that is required or expected for affiliation or initiation. This includes any activity, whether it is presented as optional or required, that places individuals in a position of servitude as a condition of affiliation or initiation.

Hazing is strictly prohibited by the University and the State of Tennessee. Any individual or organization found in violation of this policy is subject to disciplinary action and/or criminal prosecution. Retaliation against any person who is involved or cooperates with an investigation of hazing is strictly prohibited. If you are aware of an incident of Hazing, you must report such incident to the Dean of Students.

Course Evaluations: In addition to meeting degree requirements specified in the graduate and undergraduate catalogs, all students are required to complete University-administered course evaluations.

Outcomes Assessment Testing: Degree requirements include participating in all outcomes assessment testing (e.g., general education assessment, major field tests, etc.) and activities when requested. Students may be required to complete one or more questionnaires and to take one or more standardized tests to determine general educational achievement as a prerequisite to graduation (see appropriate catalog for additional information).

The expected levels to demonstrate achievement of The Lincoln Liberal Arts Core Curriculum are:

- Essay Writing - greater than a rating of 2
- ETS Proficiency Profile – greater than one standard deviation less than the three-year LMU average on this exam. Score from repeated exams are not included in this average calculation.

LMU’s Inclement Weather Policy can be found at the following link to LMU’s website: http://www.lmunet.edu/student-life/weather-cancellation-notification. Students should check their LMU email during delays/closures to receive information from individual faculty regarding potential assignments and/or other course information.

Instructional Continuity in Case of Temporary Campus Closure Policy: Faculty and students should expect scheduled instruction to continue even if class meetings are cancelled due to weather, epidemic illness, or other factors. Students will be required to complete alternate instructional activities online as directed by the course instructor.

Intent to Graduate: Students planning to graduate at the end of the current semester need to apply for graduation by submitting an Intent to Graduate form to Erin Brock (erin.brock@lmunet.edu) by the deadline indicated in the Important Dates section of the syllabus. Graduation forms and additional information can be found at www.lmunet.edu/education.

Professional Certification and Licensure Disclaimer – Authorization for the University to provide a program for the preparation of teachers, counselors, or administrators, does not guarantee eligibility for certification, licensure, or benefits. It is the sole responsibility of the candidate to be knowledgeable about specific state certification/licensure/benefits requirements, qualify for certification, licensure, or benefits and apply for the same.

For Out-of-State Students: LMU does not guarantee out of state certification. Students seeking certification should contact their State Department of Education to verify the individual’s state certification regulations.
VIII. MISSION STATEMENTS:

LINCOLN MEMORIAL UNIVERSITY MISSION STATEMENT:

CARTER & MOYERS GRADUATE SCHOOL OF EDUCATION MISSION STATEMENT:
http://www.lmunet.edu/education/FINAL%20Graduate%20Education%20Catalog.pdf (p. 11)

CURRICULUM AND INSTRUCTION MISSION STATEMENT:
http://www.lmunet.edu/education/FINAL%20Graduate%20Education%20Catalog.pdf (p. 32)

IX. COURSE OUTLINE/ASSIGNMENTS/UNITS OF INSTRUCTION OR CLINIC SCHEDULE:

Hybrid Learning Model
This course is offered in a hybrid learning model. Hybrid learning models are based on contemporary learning theory and exemplary teaching practices in the classroom. This particular model is based on an understanding about how adults learn and an understanding of the rich resources offered through collaboration with peers and interaction with the extensive resources on the Internet. The hybrid learning model is comprised of anchored instruction (seat time), professional learning communities (collaboration), web-enhanced learning strategies (technological learning), expository presentation (student engagement) and problem-based learning (case studies and field-based activities).

| Anchored instruction- 600 minutes | Attendance and participation in all class sessions, attentive to lectures, participate in class discussions, class presentations, etc |
| Professional Learning Communities – 750 minutes | Structured collaboration with peers |
| Research and Support for Clinical/Key Assignments –900 minutes | |
| **Total Carnegie Units:** 37.5 hours/2250 minutes |

CI 641 KA #1 – Citizens of the World Research and Synthesis
CI 641 KA #2 – Critique/Application Paper
CI 641 KA #3 – Demographic Form Completion

CI 641 Suggested Class Schedule and Assignments

**Session 1**
1. Introduction to *World Class Education.*
2. Class will view the 27 minute video together and discuss the questions provided.
   https://www.teachingchannel.org/videos/teaching-global-awareness
   1. What are some reasons this district "internationalizes" its curriculum?
   2. How does this global approach impact students and their future selves?
   3. Notice the depth and rigor of student discussions. What elements of this approach can you bring to your school or classroom?
3. Formation of Presentation Groups to present information addressing education, economic, political, and cultural trends learned from international models of excellence and innovation of specific countries.

**Assignment for Session 2:**
1. Read *A World-Class Education;* Chapters 1 & 2.
2. Each student should bring in an article related to the standing of the United States in relation to international benchmarking. Students will share articles in small groups during class 2.
3. Selected groups will prepare a research presentation on assigned topic addressing education,
economic, political, and cultural trends learned from international models of excellence and innovation.

Session 2
1. *A World-Class Education* presentations (2 groups present).
2. Sharing and discussion of articles.

Assignment for Session 3:
1. Read *A World-Class Education*, chapters 3-6.
2. Selected groups (2) will prepare a research presentation on assigned chapter addressing education, economic, political, and cultural trends learned from international models of excellence and innovation.
3. View the 27 minute *World Class Education* Video by Alistair Smith; https://www.youtube.com/watch?v=QmEDH1dz4U0
4. Interview 2 teachers and 2 students, using the following questions:
   - How do these educators and students define world class education?
   - In what ways are their definitions the same? In what ways are they different?
   - Why does global world class education matter?
   - How does your school emphasize world class education?
   - Do world class education opportunities in your school develop critical thinking skills, international mindedness, and respect for people and communities?

   REFLECTION:
   - After viewing the Video, how do you define world class education?
   - How might you design projects that integrate world class education in your classroom?

5. Be prepared to discuss in class.

Session 3
1. *A World-Class Education* presentations (2 groups).
2. Introduction to *World Class Learners*.
3. KA #1 Citizens of the World Research and Synthesis: After Session 3, submit a critique/application paper to VIA/LiveText: Read the article *Becoming Citizens of the World* found at http://www.ascd.org/publications/educational-leadership/apr07/vol64/num07/Becoming-Citizens-of-the-World.aspx. Locate 3 other resources that address the developing pictures of the 21st century world. Submit a written analysis of your school and classrooms. Are your students equipped with the global competence Stewart describes? What changes need to be made to bring “world knowledge,” “foreign language skills,” and “civic values” to the students of today? What changes can you make in your current situation with your current resources?

Assignment for Session 4:
1. Read Chapters 1-5 of *World Class Learners*.
2. Specific groups prepare research presentations, relating to *World Class Learners* and addressing the preparation of global, creative, and entrepreneurial talents in schools. Consider how technology, collaboration, closing the education gap and future training for employment should be emphasized.

Session 4
1. *World Class Learners presentations*: Specific groups will present research relating to *World Class Learners* and addressing the preparation of global, creative, and entrepreneurial talents in schools. Consider how technology, collaboration, closing the education gap and future training for employment should be emphasized.

2. KA #2 – Critique/Application Paper: After Session 4, submit a critique/application paper to VIA/LiveText:
   - CRITIQUE: discuss various ideas presented in *A World-Class Education* and concepts.
conveyed in *World Class Learners.* Give your personal thoughts on the perspectives of the authors.

**APPLICATION:** Make application as to how the concepts relate to your school district. Discuss the economic, technological, environmental, and political changes that are transforming YOUR school, relating how your school district compares with the world’s best performers. Include demographic information of your school and/ or school system. Relate the critique/application to InTASC Standards.

3. **KA #3 – Demographic Form Completion:** Candidates are required to report the demographics of their institutions where they perform their clinical practice. To find this form, please go to [www.lmunet.edu/education](http://www.lmunet.edu/education) and find the tab in the upper left column named “Surveys and Forms.” Once clicked, look for the forms heading and the demographics form is at the top of the list. It can also be found at [https://form.jotform.com/71694815867170](https://form.jotform.com/71694815867170). Submit documentation to your professor that this has been completed.

**Assignment for Session 5:**
1. Read Chapters 6-10 of *World Class Learners.*
2. Specific groups prepare research presentations, relating to *World Class Learners.* and addressing the preparation of global, creative, and entrepreneurial talents in schools. Consider how leadership, higher test scores, relevance, innovative strategies and entrepreneurship should be emphasized.

**Session 5**
1. Specific groups will present research relating to *World Class Learners.* and addressing the preparation of global, creative, and entrepreneurial talents in schools. Consider how leadership, higher test scores, relevance, innovative strategies and entrepreneurship should be emphasized.
2. Culminating discussions.

**WEB-ENHANCED COMPONENT:**
The Web-Enhanced component of the curriculum is designed to extend and enhance the learning experience by integrating relevant web-based resources with the traditional learning environment. The Web-Enhanced activities below are a required component of this course. All activities must be completed by the date specified by the instructor and will be posted in the specified section of VIA/LiveText. Candidates should view the electronic resources, meet with their collaborative groups, and submit one response per group.

12 hours of Web-Enhanced work are required. Candidate groups should select and complete 3 of the activities listed below.

CI 641 Web-Enhanced Component:
1. **(4 hours)** What is meant by the term “21st century skills?” With your group, brainstorm a list of 21st century skills. Next, generate a list of the reforms that would be necessary to equip students with these skills. Read 21st Century Skills: The Challenges Ahead found at: [http://www.ascd.org/publications/educational-leadership/sept09/vol67/num01/21st-Century-Skills@-The-Challenges-Ahead.aspx](http://www.ascd.org/publications/educational-leadership/sept09/vol67/num01/21st-Century-Skills@-The-Challenges-Ahead.aspx). Compare your lists of skills and reforms to those presented by the authors. Write a paragraph of reaction to each of the reforms mentioned in the article: Better curriculum, better teaching and better tests.

2. **(4 hours)** Visit the Curriculum 21 website found at: [http://www.curriculum21.com](http://www.curriculum21.com). Review the entire site. Examine carefully the “Clearinghouse” tab. Select 5 of the resources posted in the Clearinghouse. For each resource complete a 2-3 paragraph critical analysis noting strengths of the resource, possible applications to your teaching situation, and cautions or critiques. Make a short plan to use at least one of the resources with your students.

3. **(4 hours)** View the website of Yong Zhao found at: [www.zhaolearning.com](http://www.zhaolearning.com). Choose one of Zhao’s blogs at the bottom of the home page. Read one blog posting and write a short “elevator speech” sharing the essence of the article in the time it takes for an elevator ride. Be
prepared to share your “elevator speech with a colleague. Then click on “speeches” and see the archive list to the right. Read all 5 parts of the blog posts “How Does PISA Put the World At Risk.” Work with your group to write a 2-page response to Zhao. You may support or oppose his opinions. Reconcile Zhao’s work with Vivian Stewart’s position in World Class Education. Submit your response to VIA/LiveText. Submit 1 response per group.

4. (4 hours) Choose one of the topics listed below and investigate using 3 additional sources. Explore each of the 3 chosen topics and write a reaction paper to each point. Explain thoroughly why you agree or disagree with the sources that you investigated.
   1. Zero Tolerance
   2. School Security
   3. The War on Drugs
   4. Pharmaceutical Drugs
   5. Public Education
   6. Homework
   7. Socialization
   8. Charter Schools
   9. Tenure

5. (4 hours) Examine the resources regarding “Global Fourth Way” and the work of Hargreaves and Shirley. In your own words describe the author’s concepts of “First Way,” “Second Way,” “Third Way,” and “Fourth Way.” Add examples of each from your own practice. With your group write a one page critical analysis of the work of Hargreaves and Shirley. What principles do you agree with? What issues do you see? What underlying philosophies provide the basis for their theories? What lessons are they drawing on from successful global education systems? One response per group.

6. (4 hours) Explore the website: http://www.nea.org/home/37409.htm for Global Education Resources and Curricula. Choose 3 to investigate. Write a summary of the website content and explain how you can use the information in your classroom.

7. (4 hours) View the 27 minute video: https://www.teachingchannel.org/videos/teaching-global-awareness. Collaborate with cohort members on the following questions:
   4. What are some reasons this district “internationalizes” its curriculum?
   5. How does this global approach impact students and their future selves?
   6. Notice the depth and rigor of student discussions.
   7. What elements of this approach can you bring to your school or classroom?

8. (4 hours) Peruse the Case Study article;
   Journal website: http://epaa.asu.edu/ojs/
   Study the 3 Elements of Globally Teaching on page 6. Explain how the compilation of dispositions, knowledge, and skills contribute to fostering global citizenship and teaching diversity.
X. **Plagiarism**

Plagiarism is the presentation of someone else’s words or ideas as one’s own (See APA Publication Manual, 6th ed., pp.15-16). One of the most common forms of plagiarism is the paraphrasing of several phrases, sentences of ideas in a paragraph with only one citation at the end of the paragraph, resulting in confusion between the cited content and the researcher’s own words or ideas. Another common form is the practice of substituting words or phrases while retaining the original author’s for and structure.

Plagiarism in any form is one of the most egregious violations of professional ethics an author can commit. Submission of plagiarized material, even by accident or ignorance, is a severe infraction of the professional ethical code and can result in expulsion from the program. To avoid plagiarism:

- Cite sources within the text for all phrases or ideas that are quoted or paraphrased.
- Cite sources within the text in the format delineated in the APA Manual, pp. 174-179.

**Certification of Authorship.** I certify that I am the author of this paper titled ________________ and that any assistance I received in its preparation is fully acknowledged and disclosed in the paper. I have also cited any sources from which I used data, ideas, or words, either quoted directly or paraphrased. I also certify that this paper was prepared by me specifically for this course. I understand that falsification of information will affect my status as a graduate student.

Student’s Signature________________ Date ______________

(This statement must be included with all written assignments.

XI. **Student Community Engagement:** A cornerstone of the University’s mission is service to humanity. As part of the University’s Student Service Initiative, students receiving any form of institutional aid participate in at least 10 hours of service learning per semester. Students are encouraged to network with one another in classroom settings and with instructors and advisors for searching out and creating appropriate service learning projects related to their field of study. For more information visit: [http://www.lmunet.edu/student-life/student-service-initiative](http://www.lmunet.edu/student-life/student-service-initiative) or contact the Associate Dean of Students, Elise Syoen, at Elise.Syoen@LMUnet.edu.

XII. **The Instructor Reserves the Right to Revise, Alter, and/or Amend This Syllabus, as Necessary. Students Will Be Notified in Writing and/or by Email of Any Such Revisions, Alterations, and/or Amendments.**

STANDARDS

TENNESSEE INSTRUCTIONAL LEADERSHIP STANDARDS (TILS)

Standard A: Instructional Leadership for Continuous Improvement
An ethical and effective instructional leader facilitates professional practice that continually improves student learning.

Indicators:
1. Collaborates with stakeholders to establish and communicate a clear, compelling vision for continuous improvement.
2. Builds capacity of educators to provide all students a rigorous curriculum, aligned with national standards.
3. Collaborates with educators to analyze and use multiple forms of data throughout the year to establish specific goals and strategies targeting student achievement and growth.
4. Leads educators to develop and execute interventions to address all students’ learning needs, grounded in multiple sources of data (academic, social, and/or emotional).
5. Systematically monitors and adjusts progress toward established goals and facilitates procedures and practices leading to continuous improvement.

Standard B: Culture for Teaching and Learning
An ethical and effective instructional leader collaborates with stakeholders to create and sustain an inclusive, respectful and safe environment conducive to learning and growth for all.

Indicators:
1. Collaborates with stakeholders to establish and communicate a clear, compelling vision for a culture conducive to teaching and learning.
2. Leverages educator strengths to engage all students in meaningful, relevant learning opportunities.
3. Fosters a safe, respectful, and orderly environment for all.
4. Takes measures to actively involve families in the education of their children.
5. Models and communicates expectations for individual and shared ownership of student, educator, and school success.
6. Recognizes and celebrates improved educator and student performance related to school vision and goals.

Standard C: Professional Learning and Growth
An ethical and effective instructional leader develops capacity of all educators by designing, facilitating, and participating in collaborative learning informed by multiple sources of data.

Indicators:
1. Collaborates with stakeholders to communicate a clear, compelling vision for professional learning and growth.
2. Implements and monitors a rigorous evaluation system using an approved Tennessee evaluation model.
3. Uses educator evaluation data to inform, assess, and adjust professional learning goals and plans.
4. Engages faculty and self in data-informed, differentiated professional learning opportunities for educators, aligned with the Tennessee Standards for Professional Learning.
5. Collaborates with others to induct, support, retain and/or promote effective educators based on evidence of student and educator outcomes.
6. Identifies and supports potential teacher-leaders and provides growth opportunities in alignment with the Tennessee Teacher Leadership Standards.

Standard D: Resource Management
An ethical and effective instructional leader facilitates the development of a highly effective learning community through processes that enlist diverse stakeholders and resources.

Indicators:
1. Strategically utilizes community resources and partners to support the school’s mission, vision, and goals.
2. Includes a diverse set of educators and stakeholders in school improvement decisions.
3. Establishes, communicates, and enforces a set of standard operating procedures and routines aligned with district, state, and federal policy.
4. Performs all budgetary and responsibilities with accuracy, transparency, and in the best interest of students and staff.
COUNCIL FOR THE ACCREDITATION OF EDUCATOR PREPARATION (CAEP)
STANDARDS FOR ADVANCED PROGRAMS

Standard 1: Content and Pedagogical Knowledge
The provider ensures that candidates develop a deep understanding of the critical concepts and principles of their discipline and, by completion, are able to use discipline-specific practices flexibly to advance the learning of all students toward attainment of college- and career-readiness standards.

Standard 2: Clinical Partnerships and Practice
The provider ensures that effective partnerships and high-quality clinical practice are central to preparation so that candidates develop the knowledge, skills, and professional dispositions necessary to demonstrate positive impact on all P-12 students’ learning and development.

Standard 3: Candidate Quality, Recruitment, and Selectivity
The provider demonstrates that the quality of advanced program candidates is a continuing and purposeful part of its responsibility from recruitment, at admission, through the progression of courses and clinical experiences, and to decisions that advanced program completers are prepared to perform effectively and are recommended for certification where applicable. The provider demonstrates that development of candidate quality is the goal of educator preparation in all phases of the program. This process is ultimately determined by a program’s meeting of Standard 4.

Standard 4: Program Impact
The provider demonstrates the impact of its completers on P-12 student learning and development, classroom instruction, and schools, and the satisfaction of its completers with the relevance and effectiveness of their preparation.

Standard 5: Provider Quality Assurance and Continuous Improvement
The provider maintains a quality assurance system comprised of valid data from multiple measures, including evidence of candidates’ and completers’ positive impact on P-12 student learning and development. The provider supports continuous improvement that is sustained and evidence-based, and that evaluates the effectiveness of its completers. The provider uses the results of inquiry and data collection to establish priorities, enhance program elements and capacity, and test innovations to improve completers’ impact on P-12 student learning and development.
INTERNATIONAL SOCIETY FOR TECHNOLOGY EDUCATION (ISTE A)
STANDARDS FOR ADMINISTRATORS

1. **Visionary Leadership** - Educational Administrators inspire and lead development and implementation of a shared vision for comprehensive integration of technology to promote excellence and support transformation throughout the organization.
   a. Inspire and facilitate among all stakeholders a shared vision of purposeful change that maximizes use of digital-age resources to meet and exceed learning goals, support effective instructional practice, and maximize performance of district and school leaders.
   b. Engage in an ongoing process to develop, implement, and communicate technology-infused strategic plans aligned with a shared vision.
   c. Advocate on local, state and national levels for policies, programs, and funding to support implementation of a technology-infused vision and strategic plan.

2. **Digital Age Learning Culture** - Educational Administrators create, promote, and sustain a dynamic, digital-age learning culture that provides a rigorous, relevant, and engaging education for all students.
   a. Ensure instructional innovation focused on continuous improvement of digital-age learning.
   b. Model and promote the frequent and effective use of technology for learning.
   c. Provide learner-centered environments equipped with technology and learning resources to meet the individual, diverse needs of all learners.
   d. Ensure effective practice in the study of technology and its infusion across the curriculum.
   e. Promote and participate in local, national, and global learning communities that stimulate innovation, creativity, and digital age collaboration.

3. **Excellence in Professional Practice** - Educational Administrators promote an environment of professional learning and innovation that empowers educators to enhance student learning through the infusion of contemporary technologies and digital resources.
   a. Allocate time, resources, and access to ensure ongoing professional growth in technology fluency and integration.
   b. Facilitate and participate in learning communities that stimulate, nurture and support administrators, faculty, and staff in the study and use of technology.
   c. Promote and model effective communication and collaboration among stakeholders using digital age tools.
   d. Stay abreast of educational research and emerging trends regarding effective use of technology and encourage evaluation of new technologies for their potential to improve student learning.

4. **Systemic Improvement** - Educational Administrators provide digital age leadership and management to continuously improve the organization through the effective use of information and technology resources.
   a. Lead purposeful change to maximize the achievement of learning goals through the appropriate use of technology and media-rich resources.
   b. Collaborate to establish metrics, collect and analyze data, interpret results, and share findings to improve staff performance and student learning.
   c. Recruit and retain highly competent personnel who use technology creatively and proficiently to advance academic and operational goal.
   d. Establish and leverage strategic partnerships to support systemic improvement.
   e. Establish and maintain a robust infrastructure for technology including integrated, interoperable technology systems to support management, operations, teaching, and learning.

5. **Digital Citizenship** - Educational Administrators model and facilitate understanding of social, ethical and legal issues and responsibilities related to an evolving digital culture.
   a. Ensure equitable access to appropriate digital tools and resources to meet the needs of all learners.
   b. Promote, model and establish policies for safe, legal, and ethical use of digital information and technology.
   c. Promote and model responsible social interactions related to the use of technology and information.
   d. Model and facilitate the development of a shared cultural understanding and involvement in global issues through the use of contemporary communication and collaboration tools.
THE INTASC MODEL CORE TEACHING STANDARDS (APRIL 2011)

The Learner and Learning

Standard #1: Learner Development
The candidate understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

Standard #2: Learning Differences
The candidate uses understanding of individual difference and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

Standard #3: Learning Environments
The candidate works with others to create environments that support individual and collaborative learning, and that encourages positive social interaction, active engagement in learning, and self-motivation.

Content Knowledge

Standard #4: Content Knowledge
The candidate understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and create learning experiences that make these aspects of the discipline accessible and meaningful for learners to assure mastery of the content

Standard #5: Application of Content
The candidate understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues.

Instructional Practice

Standard #6: Assessment
The candidate understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the candidate’s and the learner’s decision making.

Standard #7: Planning for Instruction
The candidate plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.

Standard #8: Instructional Strategies
The candidate understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.

Professional Responsibility

Standard #9: Professional Learning and Ethical Practice
The candidate engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

Standard #10: Leadership and Collaboration
The candidate seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.
Notes:

- In each standard the term “teachers” has been replaced with the term “candidate” in compliance with CAEP requirements.

ELCC Standards

1.0 Candidates who complete the program are educational leaders who have the knowledge and ability to provide the success of all students by facilitating the development, articulation, implementation, and stewardship of a school or district vision of learning.
   1.1 Develop a Vision
   1.2 Articulate a Vision
   1.3 Implement a Vision
   1.4 Steward a Vision
   1.5 Promote Community Involvement in the Vision.

2.0 Candidates who complete the program are educational leaders who have the knowledge and ability to promote the success of all students by promoting a positive school culture, providing an effective instructional program, applying best practice to student learning, and designing comprehensive professional growth plans for staff.
   2.1 Promote Positive School Culture
   2.2 Provide Effective Instructional Program
   2.3 Apply Best Practice to Student Learning
   2.4 Design Comprehensive Professional

3.0 Candidates who complete the program are educational leaders who have the knowledge and ability to promote the success of all students by managing the organization, operations, and resources in a way that promotes a safe, efficient, and effective learning environment.
   3.1 Manage the organization
   3.2 Manage Operations
   3.3 Manage Resources

4.0 Candidates who complete the program are educational leaders who have the knowledge and ability to promote the success of all students by collaborating with families and other community members, responding to diverse community interest and needs, and mobilizing community resources.
   4.1 Collaborates With Community and Other Family Members
   4.2 Respond to Community Interests and Needs
   4.3 Mobilize Community Resources

5.0 Candidates who complete the program are educational leaders who have the knowledge and ability to promote the success of all students by acting fairly, with integrity, and in an ethical manner.
   5.1 Acts with Integrity
   5.2 Acts Fairly
   5.3 Acts Ethically

6.0 Candidates who complete the program are educational leaders who have the knowledge and ability to promote the success of all students by understanding, responding to, and influencing the larger political, social, economic, legal, and cultural context.
   6.1 Understand the Larger Context
   6.2 Respond to the Larger Context
   6.3 Influence the Larger Context

7.0 Internship. The internship provides significant opportunities for candidates to synthesize and apply the knowledge and practice and develop the skills identified in Standards 1-6 through substantial, sustained, standards-based work in real settings, planned and guided cooperatively by the institution and school district personnel for graduate credit.
   7.1 Substantial
   7.2 Sustained
