

2026-2027 List of Academic Programs and CIP Codes

LMU offers a relevant curriculum for the 21st century in business, humanities, arts and sciences, education, and health professions. The quality liberal arts and sciences programs offer students a broad preparation for selected majors and programs of professional study. LMU offers associate, baccalaureate, masters, educational specialist, and doctorate degrees. LMU also offers graduate certificate programs. Many LMU programs also offer concentrations within programs; therefore, programs with multiple concentrations will have multiple appropriate CIP codes to identify specific concentration disciplines.
