Greetings from Lincoln Memorial University!

We are excited to meet you at New Student Registration (NSR)! This is an important day in starting you on your Railsplitter journey. Throughout the course of the day, you will receive important information regarding housing & meal plans, academic advising with program faculty, and Financial Aid counseling. In addition, you will have a chance to learn about student activities, organizations, and resources that will help you thrive as a Railsplitter.

Check-In will open at 8:00 am in the lobby of the Hamilton Math and Science Building, and the earliest that you should plan on checking out is 3:00 pm. This is an exciting day because you will begin your adventure as a Railsplitter, and get to meet a number of other new and current Railsplitters as well! We do our best to accommodate everyone with personal interactions, but we do ask for your patience and understanding throughout the day. We want to make sure that everyone has their questions answered and completes the registration process. With that being said, there are a few things you can do ahead of time to prepare yourself for that day.

One step you should take prior to New Student Registration, is logging into your MyLMU account. Instructions are listed below. Once logged in, you can view your Financial Aid package. If you do not have any questions or concerns, you may accept your Financial Aid package, and save yourself some time at NSR! If you do have questions, you may contact our Financial Aid Office (423.869.6336) prior to your NSR event, as well.

Clearly, there are a lot of exciting things happening at LMU...one of which is welcoming part of our incoming class to the Splitter nation! We'll see you at New Student Registration, at 8 am, ready to begin your Railsplitter journey (#SplitterNation)!

Sincerely,

The Office of Undergraduate Admissions
