**Accelerated Bachelor of Science (ABSN) - General Information**

*All applicants must have a cumulative GPA of 2.75 to be considered for admission and an earned bachelor's degree from an accredited institution.*

Students enrolled in the Accelerated Bachelor of Science in Nursing (ABSN) option will complete a total of 122 credit hours prior to graduation. The program consists of 75 general education credit hours (57 which will have been earned through previous bachelor's degree and 18 hours of required general education courses specific to nursing) and 47 nursing credit hours. The student will complete the program in three terms: Term I (Summer), Term II (Fall), and Term III (Spring). General education course requirements specific to nursing are listed in Table A and Nursing course requirements are listed in Table B.

Table A. General Education Course Requirements Specific to Nursing	
*Courses	Credit Hrs.
Math 270 Statistics	3
PSYC 221 Developmental Psychology	3
BIOL 261 Human Anatomy & Physiology I/Lab	4
BIOL 262 Human Anatomy & Physiology II/Lab	4
BIOL 230 Microbiology & Lab	4

*\*These general education courses must be completed with grades no lower than a "C".*

**Additional Notes:**

- Science courses earned more than 8 years ago must be approved by the BSN Program Chair.
- For additional admission or program requirements, please consult an LMU Nursing Advisor.
