

LPN-ASN Curriculum Plan

The following is a suggested plan of study for LPNs entering the CSON ASN program. **Prior to admission to the LPN-ASN program, the LPN student is required to have completed a minimum of 20 hours of General Education courses (see first table).** This plan should be used in conjunction with the University catalog and in consultation with the nursing advisor. Transfer students should contact a nursing advisor if they have questions regarding transfer credit. General Education courses transferred in must be from an accredited institution and must carry a grade of “C” or better. The LPN-ASN Curriculum Plan includes 8 credits for LPN Mobility. Six (6) credit hours are awarded once the LPN has submitted proof of a valid non-restricted LPN license. The two (2) additional credit hours are awarded once the LPN has submitted validation of one year of current working experience as an LPN. **Please note: Student will be responsible for Special Credit (SC) fees the semester these credits are awarded as stated in the current LMU Undergraduate catalog.** LMU also requires all first-time freshmen students with less than 15 credits of college credit to complete UACT 100 (1 cr hr).

General Education Courses Required Prior to Admission

Course	Credit Hours
BIOL 261 (Human Anatomy & Physiology I with Lab)	4
BIOL 262 (Human Anatomy & Physiology II with Lab)	4
