Mission of DO Program

***Mission DO Program:** To prepare outstanding osteopathic physicians who are committed to the premise that the cornerstone of meaningful existence is service to humanity. The mission of the Doctor of Osteopathic Medicine (DO) program at LMU-DCOM is achieved by:

- Graduating Doctors of Osteopathic Medicine;
- Providing a values-based learning community as the context for teaching, research and service;
- Serving the health and wellness needs of people within both the Appalachian region and beyond;
- Focusing on enhanced access to comprehensive health care for underserved communities;
- Investing in quality academic programs supported by superior faculty, staff and technology;
- Embracing compassionate, collaborative patient-centered care that values diversity, public service and leadership as an enduring commitment to professionalism and the highest ethical standards.
- Facilitating the growth, development and maintenance of graduate medical education

**Mission statement last revised: 11.13.18 revision of the Strategic Planning Committee; 4.3.19 LMU-DCOM Dean Approval; 5.3.19 LMU Board of Trustee Approval*

The DO Program Goals:

Goal #1: The DO program has a written mission and strategic plan, and maintains full accreditation from AOA-COCA and other accreditors.

Goal #2: The DO Program will have leadership and senior administrative staff with the knowledge, skills, time, and support necessary to achieve the goals of the osteopathic medical education program and to ensure the functional integration of all programmatic components.

Goal #3: The DO Program has sufficient financial resources readily available to meet the needs of the COM and to achieve the COM missions, consistent with its projected and authorized class size.

Goal #4: The DO program State-of-the-art facilities, equipment, and resources are available to faculty, staff, students, alumni and community to achieve educational, curricular, and research goals.

Goal #5: The DO program provides a professional, respectful, non-discriminatory, and intellectually stimulating academic and clinical environment.

Goal #6: The DO program curriculum prepares future clinicians to serve the community with high quality patient-centered healthcare.

Goal #7: The faculty possess the credentials, knowledge, and skills to carry forth the mission of the DO Program.

Goal #8: The DO program faculty, students, and post-graduate trainees have opportunity to participate in research, grants and/or scholarly activities contributing to the advancement of knowledge in medicine.

Goal #9: The DO program recruits, admits, and holistically supports students.

Goal #10: The DO Program supports the development and maintenance of community-based graduate medical education programs and prepares students to be competitive for placement into GME programs.

Goal #11: The DO program assesses programmatic and individual student outcomes using data to continuously improve all aspects of the COM.

Strategic Plan 2022-2027

Goal #7: The faculty possess the credentials, knowledge, and skills to carry forth the mission of the DO Program					
Objectives	Actions	Timeline	Responsibility	Resources/Data To Meet Target	Assessment Targets
7.1 Hire and retain faculty and chairs with terminal degrees in their respective field	7.1a Search and hire full-time Osteopathic Manipulative Medicine (OMM) faculty, clinical medicine and Basic Medical Science (BMS) faculty	Ongoing	Associate Dean of Preclinical/BMS Academic Affairs and Basic Medical Science; Associate Dean of Pre-Clinical Academic Affairs and Research; Assistant Dean of Clinical Affairs	Budget: Human Resources	100% of open positions are filled and 100% of faculty hold terminal degrees
	7.1b Verify all department chairs possess 5 years of teaching and academic leadership in a medical school setting including Primary Care leadership and other clinical chairs possessing medical licenses and AOA or ABMS board certification	Ongoing	Associate Dean of Preclinical/BMS Academic Affairs and Basic Medical Science; Associate Dean of Pre-Clinical Academic Affairs and Research; Assistant Dean of Clinical Affairs	CVs; AOA and ABMS Website	100% of Chairs possess 5 years of teaching and academic leadership in a medical school setting. Clinical chairs are medically licensed and AOA or ABMS board certified
	7.1c Involve Chairs and faculty in recruitment process	Ongoing	Dean/VP; Directors of Operations; Associate Dean of Preclinical Academic Affairs and Basic Medical Science; Associate Dean of Pre-Clinical Academic Affairs and Research; Assistant Dean of Clinical Affairs	Dean's Office; Budget	Search committee demonstrates representation of chairs and faculty
	7.1d Develop and implement annual faculty success plan	Ongoing	Director of Academic Assessment; Assistant Director of Assessment and Faculty Development Department Chairs; Deans of Pre-Clinical Academic Affairs/ Basic Medical Science; Deans of Clinical Medicine/ Clinical Affairs		Faculty success plans incorporated into annual review process
7.2 Expand number of clinical adjunct faculty in database	7.2a Identify qualified teaching physicians for clinical rotations (medically licensed and AOA or ABMS board certified)	Ongoing	Chief of Graduate Medical Education and Rotations; Assistant Dean of Clinical Affairs; Clinical Chairs; Rotation Directors; Clinical Faculty; Directors of Student Medical Education		Clinical Adjunct Database contains > 1100 credentialed physicians in various disciplines to provide clinical training

LMU-DCOM
Strategic Plan 2022-2027

	7.2b Develop and continually monitor clinical adjunct faculty	Ongoing	Assistant Dean of Clinical Affairs; Rotation Chairs;	Online and physical clinical adjunct faculty applications	Increased number of applications received
7.3 Review and refine new Faculty-on-boarding program	7.3a Plan and conduct workshops for all new faculty on instructional and assessment methods.	Ongoing	Director of Academic Assessment; Assistant Director of Assessment and Faculty Development; Director of Alumni Services and CME	Budget	1.100% of new faculty receive a new faculty orientation. 2.100% of new preceptors receive a new faculty orientation
	7.3b Monitor needs of incoming faculty	Ongoing	Associate Dean of Preclinical\ Academic Affairs and Basic Medical Science; Associate Dean of Pre-Clinical Academic Affairs and Research; Assistant Dean of Clinical Affairs; Department Chairs; Director Academic Assessment; Assistant Director of Assessment and Faculty Development	Assessment Office; LMU-DCOM Faculty expertise; Needs assessment	1. Faculty evaluations; 2. Faculty satisfaction/ needs survey results; 3. CME surveys; 4. Site visits

LMU-DCOM
Strategic Plan 2022-2027

7.4 Develop and deliver Faculty Development activities to advance faculty teaching skills	7.4a Develop programs for clinical and basic science faculty as requested	Ongoing	Director of Academic Assessment; Assistant Director of Assessment and Faculty Development	Faculty expertise; Assessment questionnaires after faculty development workshops	Faculty development sessions are offered quarterly and evaluated for continued needs assessment
	7.4b Identify Health Resources and Services Administration (HRSA) grants for Faculty Development	Ongoing	Director of Health Research & Grants; Assistant Director of Assessment and Faculty Development		Funds for Faculty Development programs are sought and funded
	7.4c Develop and implement an annual faculty development needs assessment survey to drive programming	Annually	Director of Academic Assessment and Assistant Director of Assessment and Faculty Development	Survey instrument	75% response rate on survey

LMU-DCOM
Strategic Plan 2022-2027

7.5 Develop and deliver faculty development activities targeted to reduce "at risk" students	7.5a Train faculty in student advising and methods to identify at-risk students	Annually	All faculty; Directors of Academic Support; Assistant Director of Assessment and Faculty Development	Experts in field	Reduction of the "at-risk" student list
	7.5b Train faculty for integration of a curricular support tool and additional opportunity for mastery and retention of BMS course material	Annually	Associate Dean of Preclinical/Basic Medical Science Academic Affairs and Basic Medical Science; Associate Dean of Pre-Clinical Academic Affairs and Research; Curriculum committee chair; All faculty; Assistant Director of Assessment and Faculty Development	OnlineMedEd, Kaplan Qbank, Lecturio?	Students' performance in BMS courses reflects increased pass rates; Question bank performance I would suggest a more measurable target for this objective - perhaps a target for % of courses including a curricular support tool AND for increased student performance.
