Final grades for all prerequisite courses must be verified before registration as an LMU-DCOM student.

### Osteopathic Medicine Links

#### American Association of Colleges of Osteopathic Medicine (AACOM)

AACOM exists to lend support and assistance to the nation's osteopathic medical schools. This site contains information on the U.S. osteopathic medical schools, as well as application and financial information.

[www.aacom.org](http://www.aacom.org)

#### American Osteopathic Association (AOA)

This site provides both general and professional osteopathic and membership information, as well as an index of past issues of the *Journal of the American Osteopathic Association*.

You can access state and regional osteopathic associations through their web site.

[www.osteopathic.org](http://www.osteopathic.org)

#### American Academy of Osteopathy (AAO)

The Mission of the American Academy of Osteopathy is to teach, advocate, advance, explore, and research the science and art of osteopathic medicine, emphasizing osteopathic principles, philosophy palpatory diagnosis and osteopathic manipulative treatment in total health care.

Many publications are available on this site, as well as information about courses that can be taken to learn more about osteopathic medicine.

[www.academyofosteopathy.org](http://www.academyofosteopathy.org)

#### Student Osteopathic Medical Association (SOMA)

SOMA seeks to improve the quality of healthcare delivery, contribute to the education of osteopathic medical students, familiarize people with the purpose and ideals of osteopathic medicine and establish lines of communication between health care professionals.
