

Office of Career Services

Contacts:

Kendall Stagg, MEd - Director of Career Services and GME

Amanda Dorsey - Associate Director of Career Services

Emily Engle - Coordinator of Career, CME, and Alumni Services

The Office of Career Services supports students from OMS I through graduation with career guidance, residency preparation, and alumni services.

Student Support

- Career guidance through email updates, presentations, and a monthly residency-focused seminar series (with Alumni Services).
- Access to AAMC Careers in Medicine in OMS I, offering career exploration and residency assessment tools.
- Preparation of the Medical Student Performance Evaluation (MSPE/Dean's Letter), including OMS III clinical evaluations and transcripts, for residency applications.
- Representation as the Dean's Work Station contact for residency application services.

Alumni Support

- Acts as the Medical Education and Licensure Verification office for all LMU-DCOM osteopathic physician alumni.
- Completes and submits required medical education verification forms.
- Serves as the fellowship application contact for residency application services.

GENERAL RESIDENCY APPLICATION TIMELINE (subject to change)

FALL AND SPRING SEMESTERS, FIRST YEAR:

- Explore specialty choices on Careers in Medicine (CiM)
- Begin working on your CV
- Explore campus clubs & specialty interest areas
- Attend the DO Seminar Series to network with alumni
- Explore resources on LMU-DCOM Career Services Canvas
- Make an email folder for career services emails

FALL AND SPRING SEMESTERS, SECOND YEAR:

- Utilize the CiM specialty inventory and self-assessment inventories
- Continue to build your CV
- Network with others in specialty areas of interest
- Attend the DO Seminar Series to network with alumni
- Explore resources on LMU-DCOM Career Services Canvas Page

FALL SEMESTER, THIRD YEAR:

- Begin working on your personal statement. Resources are available on LMU-DCOM Career Services Canvas.
- Request letters of recommendation from preceptors

SPRING SEMESTER, THIRD YEAR:

- Research residency programs
- Finalize your personal statement and CV

SUMMER BETWEEN THIRD & FOURTH YEARS:

- ERAS and other application services open for completion of residency application

FALL SEMESTER, FOURTH YEAR:

- Schedule and attend audition/away rotations
- Review your MSPE with the Office of Career Services
- Review Big Interview Medical for interview resources

SPRING SEMESTER, FOURTH YEAR:

- Finalize rank order lists of residency programs
- Match results released
- Attend your Match Celebration! (sponsored by the Office of Alumni Services)
