

Doctor of Occupational Therapy (OTD)

The Lincoln Memorial University Doctor of Occupational Therapy Program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 7501 Wisconsin Avenue, Suite 510E, Bethesda, MD, 20814. ACOTE's telephone number is (301) 652-6611 and its web address is <https://acoteonline.org/>.

Graduates of the program will be eligible to sit for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be an Occupational Therapist, Registered (OTR). In addition, all states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.

Students must complete 24 weeks of Level II fieldwork as well as an individual 14-week capstone experience within 24 months following the completion of the didactic portion of the program. The doctoral capstone experience must be started after completion of all coursework and Level II fieldwork as well as completion of preparatory activities defined in 2023 ACOTE OTD Standard D.1.3.

LMU Contact for questions about licensure or certification:

The State Licensing Requirements should indicate if the program curriculum *Meets* the requirements in these states and US Territories or *Does NOT Meet* the requirement in these states and US Territories. For students coming from a state or territory that does not meet requirements, the student can only be admitted and enrolled if they sign an attestation that they plan to seek employment in another specified state.
