### Benefits of Camp LMU:

- Builds a future story: we know that students need to begin imagining their future early! It's even better if they can begin imagining going to college as a part of that future story. Camp LMU introduces them to the concept of college and helps them build a positive image associated with a collegiate campus environment!
- Life-long learning: It's no accident that this is one of LMU's key values. We firmly believe in education, and that goes beyond the education of college & professional students. Camp LMU offers students a way to keep discovering the joys of learning!
- Trying new things: It's important for students to practice how to try new things and meet new people. Camp LMU offers a safe space for students to try something new, and along the way, to make lasting friendships!
