

Lincoln Memorial University Emotional Support Animal Application

****All students must follow the policies and procedures here BEFORE acquiring an emotional support animal. Animals found on campus prior to approval are violations of the Railsplitter Community Standards Guide and will result in disciplinary action.****

Part 2: Animal Information

Instructions: Please complete all parts of this application regarding your requested animal. Submit this application with parts 1 and 3 of the application, as well as with veterinary records of the requested animal.

1. Animal Name:
2. Animal Species (ie dog, cat):
3. Animal Breed (ie beagle, calico):
4. Animal Weight:
5. Animal Length, in inches, from nose to base of tail (if a dog):
6. Animal Age:
7. Please give a brief biography and description of the animal:

8. Is the animal up to date on vaccinations and health care?
9. If the animal is a dog, in what county and state is it licensed?
10. What is the age of your animal?
11. Is the animal housebroken?
12. Please explain how the animal is housebroken. For example, you may explain that a dog relieves itself outside or that a cat is litter-box trained. Pee pads are not allowed within the residence halls.
13. Is the animal cage or crate trained?
14. Animals must be crated or caged in an appropriate container. Please describe the container you intend to use for this purpose.
15. Please list the dimensions of the cage or crate the animal uses.

16. Please describe where in your living environment you intend to keep the crate/ cage and animal's food and belongings.
17. What does this animal eat?
18. Has the animal ever exhibited aggression toward a person or other animal? If yes, please explain.
19. Has the animal ever damaged property beyond reasonable wear and tear? If yes, please explain.

20. Please detail your plan of care for the animal. Include times during the day you will be able to feed, water, exercise, and spend time with the animal, considering your schedule.

21. Please detail your plan of care for the animal, should you need to go out of town, leave campus overnight, or attend a club or sporting event out of town. Responsibility may NOT be left to your roommate or on-campus friend. Keys to residence halls and rooms may NOT be shared. The animal should only be left in the care of an approved alternate caregiver should you be unable to care for it.

22. Please give, in detail, directions for what should be done with the animal in case of emergency. Please include contact information for an off-campus contact to be called in case of emergency or animal removal. This person should be available to obtain the animal within 6 hours of notification. If the contact cannot be reached or cannot fulfill his/ her duty, Animal Control may be contacted to remove the animal.

23. Please list any additional information you would like the emotional support animal committee to know about your animal.
