

REGISTRATION INFORMATION

SUMMER 2026

SUMMER CALENDAR
May 11 – July 31

Welcome to Lincoln Memorial University's 2026 Summer School. With such a variety of courses, we are sure you will find something to suit your academic program or to move you up the career ladder.

Undergraduate Course Load

No more than eighteen (18) credit hours may be earned during the summer term.

Graduate Course Load

The maximum course load for graduate students is twelve (12) credit hours for the entire summer. Any exceptions must have approval of the appropriate Dean.

Class Attendance

Students are expected to attend class. However, individual faculty members approach class attendance in different ways. Students must learn and follow attendance policies established by the instructors. Non-attendance does not constitute official withdrawal from a course and will result in a grade of F.

Grade Reports/Transcripts/Withdrawals

Final grades are reported by the faculty to the Registrar at the end of each term and are available through WebAdvisor. Official transcripts reflecting summer grades will be available from the Registrar's Office after **August 3**. The following link may be used to request transcripts: <https://www.lmunet.edu/registrar/transcript-requests>. Students who find it necessary to withdraw from the University must process a Withdrawal Form, which is available in the Registrar's Office or at this link: <https://www.lmunet.edu/registrar/forms> Failure to officially withdraw will result in the recording of F grade(s) on the student's transcript, and the student also will be liable for the full amount of tuition and fees for the term.

Application for Graduation

Students completing graduation requirements during a summer term participate in the December Commencement and must submit the Intent to Graduate form to the Registrar no later than **June 1**. A graduation fee is charged (see *Catalog*).

PLEASE NOTE THE FOLLOWING INCOMPLETE GRADE POLICY: Students requesting an incomplete must finish the coursework by the end of the first six weeks of classes the semester following the term in which the "I" was granted. An incomplete will be computed as an "F" in the grade point average until the coursework is completed. The instructor must sign a Change of Grade form and submit to the appropriate Dean for approval before the change appears on the transcript.
