Associate Bachelor's Degree 90 Credit Hour

The following is a suggested three-year plan of study for freshmen entering LMU during the 2026-2027 academic year. This plan should be used in conjunction with the University catalog and in consultation with the faculty advisor. This plan meets LMU's general education (Liberal Arts Common Core) requirements, major requirements and 300/400 level course requirements. This plan enables students to complete the necessary credit-hour requirements needed to move into the workforce, particularly in fields where there is a need for filling positions.
