

Peregrine Academic Services – MBA Program Leveling Courses

Nervous about an upcoming MBA course?

In collaboration with Peregrine Academic Services, incoming LMU MBA students are provided the opportunity to participate in Academic Leveling Courses. These leveling courses are designed to provide an overview of subject-specific topics in order to ensure that program candidates have an appropriate knowledge of foundational business concepts.

Available Academic Leveling Courses include:

- Accounting
- Business Ethics
- Business Finance
- Business Integration and Strategic Management
- Business Leadership
- Global Dimensions of Business
- Human Resource Management
- Information Management Systems
- Legal Environment of Business
- Macroeconomics
- Marketing
- Microeconomics
- Operations/Production Management
- Organizational Behavior
- Quantitative Research Techniques and Statistics

All MBA Program Academic Leveling Courses are offered to students at a reduced rate of \$44 per course, which is paid online directly to Peregrine Academic Services.
