

Two-year Plan

Associate of Business Administration (ABA)

The following is a suggested four-year plan of study for freshmen or transfers entering LMU during the 2026-2027 academic year. This plan should be used in conjunction with the University catalog and in consultation with the faculty advisor. Transfer students should contact their advisor if they have questions regarding transfer credit. Courses listed on the two-year plan may be taken during other semesters, based on availability and course placement. This plan meets LMU's general education (Liberal Arts Common Core) requirements and major requirements. **NOTE: In order to graduate in two years (four regular semesters) without any transfer credits utilized, the student must average successful completion of 15 to 16 credit hours per semester. Please refer to the legend at the bottom of the page for an explanation of superscripts.**

Year 1

ENGL 101 Composition I ^a	3	BUSN 250 Social & Ethical Envir Busn ^a	3
BUSN 100 Introduction to Business ^b	3	MKTG 300 Principles of Marketing ^b	3

	16		15

Total Hours: 60*

- a = General Education Requirement
- b = Business Core Requirement
- c = Concentration Requirement
- d = Recommended Guided Elective

*The ABA totals 60-61 credit hours due to the general education mathematics requirement course choices. MATH 110, 115, and 120 are 3 credit hours each while MATH 150 is 4 credit hours. Any of these four courses will fulfill the requirement.
