	Total Indirect Costs:	\$12,100	\$12,100	\$12,100
Total Indirect Costs Year Two: \$36,300- *\$38,300				

* In Term 5 there is course option that involves optional international travel. Students are NOT required to select the international option and it will not affect their program progression or success if they do not select the international option. If students do select the international option, an estimated \$2,000 in costs will be added to term 5. The student is responsible for all travel and other related costs if they select this option.
