ASCP Board of Certification: Exam Category VI: Immunology / Serology

ASCP Board of Certification: Exam Category VII: Laboratory Operations

B. Employment Rates of LMU MLS Graduates

Lincoln Memorial University Medical Laboratory Science graduates are in high demand by employers. It is common for each LMU MLS graduate to receive multiple job offers in a variety of clinical settings such as hospitals, reference laboratories, clinics, physician's offices, etc. This fact is due to a combination of the quality of the LMU Medical Laboratory Science graduates and the extraordinary need for medical laboratory scientists in the clinical field.

This chart illustrates the fact that for many years, every graduate of the LMU MLS Program who sought gainful employment post-graduation in the medical laboratory science field was successful.

C. Graduation / Attrition Rates Rates of LMU MLS Seniors

Graduation / Attrition Rates	For Students Slated to Graduate in the Time Periods Below:		
	7/1/2018 – 6/30/19	7/1/19 – 6/30/20	7/1/20 – 6/30/21
A) # of seniors who began the “final half” of the program	14	9	19
B) # of seniors who began the “final half” of the program but subsequently left (voluntarily or involuntarily)	0	1	0
C) # of seniors who began the “final half” of the program but are still currently enrolled	0	0	0
