Lincoln Memorial University for PA Students

Steps to Receive Graduate and Professional Student Loans

You will need your Federal Student Aid ID and password to complete the following steps:

1. All students accepting Federal Direct Unsubsidized Stafford or Federal Direct PLUS Loans are required to complete Direct Loan Entrance counseling.
   a. To complete this counseling, log in to https://studentloans.gov, choose Complete Loan Counseling, add Lincoln Memorial University to notify, and select that you are completing entrance counseling to receive Direct Loans as a graduate or professional student.

2. Students accepting Federal Direct Unsubsidized Stafford and/or Federal Direct PLUS Loans must complete a separate MPN for each type of loan.
   a. To complete these log in to https://studentloans.gov, choose Complete Loan Agreement (Master Promissory Note) and proceed as instructed for each loan type.

**NOTE: LMU must receive both your Entrance Counseling and Master Promissory Note(s) before your student loans will post to your account
