

**2021-2022 Verification Worksheet  
V4 Independent**

**What is Verification?** – The Department of Education randomly selects a percentage of students for verification. Before awarding Federal Student Aid, we must collect documentation that we use to verify the information reported on your FAFSA. If there are discrepancies, we may make corrections to your FAFSA based on the documentation you provide. During the verification process we may determine that additional documents need to be submitted.

**What do I need to do?** - To complete the verification process you should read this worksheet thoroughly and answer all questions. Return the worksheet and all requested documentation to the Office of Student Financial Services as soon as possible to prevent a delay in the processing of financial aid.

- A copy of the student’s high school diploma.
  
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
  
- A state certificate or transcript received by a student after the student passed a state-authorized examination that the state recognizes as the equivalent of a high school diploma (GED test, HiSET, TASC, or other state-authorized examination).
  
- For students who completed secondary education in a foreign country, a copy of the “secondary school leaving certificate” or other similar document.
  
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.

**B. High School Completion Status (continued)**

For a student who was homeschooled in a state where state law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential.

For a student who was homeschooled in a state where state law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

**\*\*If the student is unable to obtain the documentation listed above, he or she must contact the Office of Student Financial Services.\*\***

**If you purposely give false or misleading information on this worksheet, you may be fined, sent to prison, or both.**

**D. Identity/Statement of Educational Purpose**

**\*\* NOTE:** There are two options for completing the Identity/Statement of Educational Purpose verification. Option A requires that the student sign the Statement of Educational Purpose in the Student Financial Services Office in front of an institutional official. The student will be required to present a valid government-issued photo identification (ID) and the institutional official will collect a copy. If you are unable to visit the Student Financial Services Office in person, you may choose to use Option B. Option B allows the student to submit a copy of his or her valid government-issued photo identification (ID) to the school along with the original notarized Statement of Educational Purpose. Both Option A and Option B are included in this worksheet.

I will complete "Option A" for the Identity/Statement of Education Purpose.

I will complete "Option B" for the Identity/Statement of Education Purpose.
