

2026-2027 V1 Dependent Verification Worksheet

What is Verification? – The Department of Education randomly selects a percentage of students for verification. Before awarding Federal Student Aid, we must collect documentation to verify the information reported on your FAFSA. We may correct your FAFSA based on your provided documentation if there are discrepancies. During the verification process, it may be determined that additional documents are needed.

Instructions: Read this worksheet thoroughly and answer all questions. Your LMU school ID number can be found in MyLMU > select the “Account” icon in the top right corner > “My Profile.” Return the worksheet and all requested documentation to the Office of Student Financial Services as soon as possible to prevent financial aid processing delays.

As part of federal student aid eligibility, students and parents will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the parents filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. **In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student’s FAFSA using income and tax information directly from the IRS via the FA-DDX.**

If 2024 income tax information for the student or parents was not transferred via the FA-DDX and considered verified, the student and/or parents should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.

A 2024 IRS Tax Return Transcript may be obtained through:

- **Get Transcript by Mail** – Go to www.irs.gov, click “Get Your Tax Record.” Click “Get Transcript by Mail.” Make sure to request the “Return Transcript” and NOT the “Account Transcript.” The transcript is generally received within 10 business days from the IRS’s receipt of the online request.
- **Get Transcript Online** – Go to www.irs.gov, click “Get Your Tax Record.” Click “Sign in to your online account.” Make sure to request the “Return Transcript” and NOT the “Account Transcript.” Follow the instructions to create an ID.me account if you do not already have one. If you need help creating an ID.me account or verifying your identity, visit help.id.me.
- **Automated Telephone Request** – 1-800-908-9946. The transcript is generally received within 10 business days from the IRS’s receipt of the telephone request.
- **Paper Request Form** – IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS’s receipt of the paper request form.

Contact our office if you have filed an amended 2024 1040X federal income tax return, were granted an extension, and have not filed your 2024 return, or if you were the victim of identity theft.

As a result, the parent should not include any unborn children in the family size.
